Course has been presented without

substantive change throughout FY 1972. A continuing program of up-dating material and refilming the presentations is in progress but no major changes in basic content is anticipated.

On 9 November 1971 the course was made mandatory for personnel being assigned to field stations which are classified B, C, or D in the listing of hazardous areas of the world. This order has resulted in an increase in the number of courses presented and a sharp increase in attendance. During FY 1972 the course was presented 79 times to a total of  students; representing the following Agency components:
